

Kanchi's Story

Meet Kanchi.

Kanchi is ten-years-old.

She lives with her grandmother in Nepal.

They both work hard in the house and fields.

Kanchi dreams of going to school. Kanchi wants to be a teacher.

She wants to learn to read and write and build a brighter future.

Here, high in the Himalaya mountains Kanchi's dream of going to school seems far away.

A new school has been built near Kanchi's home. It is an early start, but nothing can stop Kanchi.

Every child has a right to go to school. 1 in 6 children around the world do not go to school.

What do you wish for Kanchi?
